

Critical Care Cart

Artromick Medical Cart Line

The importance of efficient organization and plenty of storage capacity are self-evident when it comes to critical care carts.

Artromick understands this and offers a full selection through our Critical Care Cart models. Choose from three standard models that feature an arrangement of 3", 6" and 10" drawers that can be custom divided to meet your precise storage needs. To ensure safety and security of your supplies, the Artromick Critical Care Cart features your choice of a proven and simple keyless entry system or Best® core-removable lock.

Critical Care Cart Features

- Wide selection of accessories and organization systems
- Expansive work area with optional slide-out work surface
- Delivered fully assembled, no tools required
- Precision-welded steel frame with high-impact panels
- 5-year warranty
- Easy ordering, fast delivery
