

# RegALwood™ MD/PC Medication Furniture

Assisted Living Medication Dispensing Solutions

The RegALwood™ MD/PC Series offers a compact design and accommodates a variety of drawer sizes to permit a customized storage cabinet. This attractive cabinet can be custom configured to meet the precise needs of your facility's medication storage requirements.

## Medication Dispensing Systems

**Nexpak™** - The Nexpak system for single or multi-dose automated packaging neatly organizes medications in a dispensing module that ensures "next packet" visibility.

**Bin Cassette** - Artromick Bin Cassettes neatly organize prescription vials, multi-dose packaging and unit dose packaging in divisible bin compartments.

**7-Day Punch Card** - The efficiency and organization of multi-prescription 7-Day Punch Cards can be neatly organized by resident or time of administration.

**Punch Card** - Traditional punch card systems can be efficiently organized in 9 inch drawers with removable transfer tubs.
